More Than Enough is Too Much
To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. It troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale by all dealers.

If visitors knew what their hosts say of them after they are gone they would never do it again.

It's A Top Notch Doer
Great deeds compel regard. The world crowns its doers. That's why the American people have crowned Dr. King's New Discovery, the king of throat and lung remedies. Every atom is a health force. It kills germs, and colds and la grippe vanish. It heals cough-racked membranes and coughing stops. Sore, inflamed bronchial tubes and lungs are cured and hemorrhages cease. Dr. Geo. More, Black Jack, N. C., writes "It cured me of lung trouble, pronounced hopeless by all doctors." 50c, \$1.00. Trial bottle free. Guaranteed by all druggists.

After all, it is better to ride a hobby than a nightmare.

The Best Plaster
A piece of flannel dampened with Chamberlain's Liniment and bound on to the affected parts is superior to any plaster. When troubled with lame back or pains in the side or chest give it a trial and you are certain to be more than pleased with the prompt relief which it affords. This liniment also relieves rheumatic pains and is certain to please anyone suffering from that disease. Sold by all dealers.

It isn't only the infant jokes that are cribbed.

EASILY DECIDED
This Question Should be Answered Easily by East Las Vegas People

Which is wiser—to have confidence in the opinions of your fellow-citizens, of people you know, or depend on statements made by utter strangers residing in far-away places? Read the following:

Fritz Senn, 1205 Twelfth street, East Las Vegas, N. M., says: "Experience has proven to me that Doan's Kidney Pills fulfill the claims made for them. For several weeks I suffered constantly from backache and in the morning when I got up, I had acute pains across my kidneys. Exercise brought some relief, but it did not entirely rid me of the trouble. The kidney secretions pained in passage and at times were discolored. Hearing so much said in praise of Doan's Kidney Pills, I procured a supply and commenced their use. After I had taken a few doses, I noticed a marked improvement and before I had finished the contents of the box, I was completely cured. I have been entirely free from kidney complaint ever since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

NEW MEXICO NEWS

The Belen Tribune reports quite a number of cases of typhoid fever in that place.

The four-year-old child of Santiago Senna died near Duran, Torrance county, a few days ago, from scarlet fever.

Governor Curry left Santa Fe today for Peach Springs, Arizona, to visit an aged aunt who is critically ill.

Mariam, the daughter of Deputy District Clerk John Lemon, at Las Cruces, broke her wrist while roller skating.

The Protestant Episcopal denomination will build a church at Belen. Two lots have been purchased for the purpose.

On November 10, B. F. Pankey will ship forty-five cars of cattle from his ranch near Lamy, to Fort Collins, Colorado, for feeding purposes.

A jail prisoner who tried to escape from Sheriff Denney at Alamogordo, was re-captured by a small boy who had pursued him out of the city.

Governor Curry yesterday appointed Lewis Hickman Morrison of Clayton, Union county, and Mary R. Nowling of Grady, Curry county, notaries public.

Bert Phillips, the artist-ranger, has been stationed at Servilleta as deputy supervisor of the Carson reserve during the absence of Supervisor Ross McMillan.

Tucumcari merchants have unloaded 3,600 cars of merchandise this year to supply the wants of a rapidly settling country. That is not a slow record for a city of 5,000 people.

Suit to quiet title to a tract of land in San Juan county, was filed in Santa Fe yesterday by John Stocks and John L. Oliver vs. Elizabeth Graham, Philip Graham et al.

The New Mexico Baptist convention meets with the First Baptist church of Las Vegas, December 1st. Delegates will be here from the churches of this denomination in every part of the territory.

Samuel Bushman, who has just been appointed a United States commissioner at Gallup, N. M., by Judge Ira A. Abbott, succeeds William A. McSparron who tendered his resignation to Chief Justice Wm. J. Mills some days ago. Mr. McSparron has disposed of his business interests in the Carbon city, with the intention of going elsewhere.

Dr. James Pinckney Booth, former Las Cruces citizen and New Mexico lawmaker, former Fort Worth editor and physician, and a leading citizen in Los Angeles, Cal., for a number of years, died in Los Angeles last week, aged 62. He had been ill some time. Dr. Booth settled first at Needles, Cal., where he lived until seven years ago, when he went to Los Angeles.

The territorial mounted police at Santa Fe were informed that the store and postoffice at the Valley Ranch, in San Miguel county, twenty-five miles east of Santa Fe, had been robbed. The deed was committed on Sunday night and was discovered on Monday morning. Considerable money was taken. A postoffice inspector and other officers are investigating.

William Monte, a son of Henry Monte, a rancher in the Pecos valley near Cowles, was in Santa Fe yesterday with a wagon load of potatoes which were grown at the ranch. Monte had twelve acres planted in potatoes and raised about 10,000 pounds to the acre, the potatoes selling at one and a half cents a pound. Others in the neighborhood are having equally good results.

The Synod of New Mexico, the highest tribunal for the Presbyterian church of New Mexico and Arizona, is meeting this week in Phoenix. The meeting is made up of the ministers of the church, together with the ruling elders in each congregation. Legislation and a general looking after the affairs of the church, temporal and spiritual, is undertaken by the synod, which will be in session several days.

Arguments in the application of Charles Raff, of Belen, for a permanent injunction preventing the county commissioners of Valencia county from using the bonds of Torrance county, which were turned over to Valencia county when that county was created in 1903, to build a courthouse and jail at Los Lunas, have been postponed. The application was to have been argued before Judge Mechem in Albuquerque today, but Attorney General Clancy, who has been retained by the county board, asked for further time, as he has been busy with other matters.

Territorial Engineer Vernon L. Sullivan at Santa Fe yesterday gave a certificate of construction to George H. Webster, Jr., for completed irrigation works on the Uracra ranch, near Cimarron, Colfax county, which take 6.5 second feet out of the Cimarron river for the reclamation of 1,846 acres. The works were completed almost a year before the time limit. The territorial engineer is receiving many applications for construction certificates showing that water rights are not only being applied for but that irrigation works are being actually constructed by private capital.

Returning to Albuquerque from Los Angeles, where he attended a conference of the officers of the National Federation of Children's Home societies, Dr. Charles Lukens, superintendent of the Children's Home society of New Mexico and Arizona, announced that the New Mexico society has become a part of the national association. Mrs. Ella Phillips, of Chicago, has been appointed matron of the receiving home of the New Mexico society. Dr. H. H. Hart, of New York, is executive head of the national society, and Dr. Henderson, of Chicago University, is president. The national society was represented at the Los Angeles meeting by its vice president, Dr. W. B. Sherrard of Sioux Falls, Iowa. Superintendent H. W. Lewis, of the California society and other officers of that branch were present.

Otto S. Thurston, charged with horse stealing and jumping his bond, was put safely into the calaboose at Farmington by Sheriff W. T. Dufer,

who returned his man there from Gallup after a rather strenuous experience. Thurston was arrested in Gallup on advice from the sheriff and Dufer left to bring him back. The first night out from Gallup on the way back the prisoner made a desperate break for liberty. The party were in camp at Tokay Springs and Thurston, watching his chance, gave the sheriff the slip and escaped in the darkness. The officer discovered his loss early in the morning and employed some expert Navajo Indian trackers, and put them on the track of the fugitive. The man was tracked to a cave in a ledge of rocks, where he was found at 2 o'clock in the afternoon. He was kept securely manacled and chained after that experience. Thurston will be kept incarcerated until court convenes at Farmington for the November term.

The State National bank of Albuquerque was awarded the \$100,000 issue of Bernalillo county bridge bonds at a meeting of the county commissioners held in the court house in Albuquerque, that institution being the most successful bidder. The proposition made by the state national bank, accepted by the commissioners, was that the issue for the hundred thousand dollars be of the denomination of one thousand dollars each, to be dated not later than January 2, 1910, maturing in thirty years, optional after ten years from date, bearing interest at the rate of four and one-quarter per cent per annum payable semi-annually at a bank either in Chicago or New York, the bank agreeing to pay par and accrued interest to date of delivery in cash and in addition to furnish blank bonds without expense to the county. The commissioners decided that the bonds be dated January 2, 1910, and to be delivered February 1, 1910, the State National bank to pay accrued interest to date of delivery.

February 1, 1910, the State National bank to pay accrued interest to date of delivery.

AT THE THEATRE

"Mlle. Mischief" a Good Show
"Mlle. Mischief," the new Viennese operetta, as presented at the Duncan opera house last night, approaches very near to the standards of the best light operas to be seen on the stage today. While there was plenty of sparkling wit and comedy injected into the play, there was not that triviality, buffoonery and garishness of the ordinary musical comedy which cause an audience to grow weary and to wish that the curtain was about to be rung down on the last act. "Mlle. Mischief" is a close approach to comic opera. A staff of pretty chorus girls, dressed in keeping with other personages of the play, with Charles W. Myer as Meline, a gasoline motor-millinaire; Frank Farrington as Sergeant Dubaer; Albert S. Howson, as Andre Claire, an artist; Edwin W. Cutler as Freddy Meline, and last but not least Corinne, as Rosette, offered everything that one could wish for in a high-class performance.

Few, if any, comic opera productions have such an elaboration of setting and dress, and never. It is safe to say, such beauty, grace and continuity of ensemble movement. Three scenes, the studio of Andre Claire, the artist; the barracks at Fromstadt, and outside the barracks, were most handsome designs and harmonious shades of the costumes and the large

company was pictorial to an unusual degree. Real dancing was allowed to take the place of mere rhythmic suggestion. The chorus was composed of pretty young women and fresh, good looking young men. And these young men and young women sang well, uncommonly well, showing that good voices and good looks are not necessarily strangers.

As a whole "Mlle. Mischief" pleased last night's big audience at the Duncan immensely. The staff of principals is worthy of much praise, but, of course, to Corinne is due the credit for the rollicking success of the play. She adorns the production, and it is to be hoped that the Shuberts will keep her so well supplied with operetta of quality that she will find it advantageous to keep away from the trashy output that has filled the American stage. Corinne has a voice of power and freshness. Her acting is as delightful as her personality and that is saying much, for she is almost ideal as a comic opera prima donna. She makes a chubby boy and a beautiful girl. In this operetta she is supplied with a number of good songs, which she sings very effectively.

If the remaining Shubert attractions measure up to the standard of the first one, then it is safe to assert that this season will be a record breaker in point of attendance, not to say satisfaction, at the Duncan opera house.

S.S.S. THE REMEDY FOR SORES AND ULCERS

There is but one way to cure an old sore or chronic ulcer, and that is to remove the cause that produces and keeps it open. No matter where located, any sore that remains until it becomes chronic does so because of impure blood; the circulation constantly discharges its polluted matter into the place and it is impossible for nature to heal the sore. S.S.S. heals sores and ulcers by purifying the blood. It removes every trace of taint or impurity from the circulation, and thus completely does away with the cause. No local application reaches below the infected flesh at the spot, and for this reason can have no curative effect on a sore or ulcer; while such treatment is being used alone, the germs and impurities are constantly increasing in the blood and the sore is bound to grow worse. When S.S.S. has cleansed the blood and enriched and purified the circulation the place begins to take on a more healthy appearance, the different symptoms show improvement, the flesh around the ulcer gets firm, new skin and tissues are formed, and aided by pure, rich blood, nature provides a perfect and lasting cure. Under the tonic and blood-purifying effects of S.S.S., the system is built up, and those whose health has been impaired by the drain and worry of an old sore will be greatly benefited by its use. Book on Sores and Ulcers and any medical advice free to all who write.

Women Suffer

much needless pain when they delay using Cardui for their female troubles. Cardui has been found to relieve headache, backache, pain in the side and dizziness arising from deranged organs. It does more than relieve,—if used persistently,—many have written to say that it cured them.

TAKE CARDUI

It Will Help You

Mrs. Maxwell Johnson, Tampa, Fla., writes: "Cardui cured me after doctors and everything else had failed. I had been suffering with numb spells ever since I was 16 years old. One day I decided to take Cardui. I have now taken 5 bottles and I can say that it has cured me. I advise all suffering women to give Cardui a long and fair trial."

Mrs. Johnson suffered years. Have you? Do you wish to? But why suffer at all? Take Cardui. Give it a fair trial.
